

List of bugs

Ticket : T01

Level: Minor

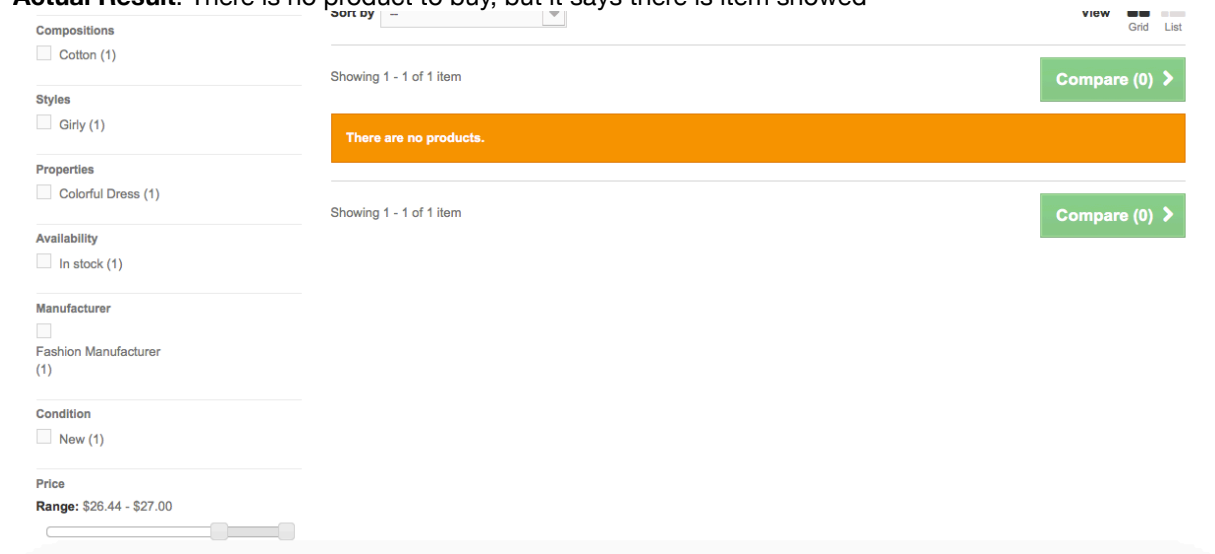

Description:

Message that shows number of items is sometimes not matched with the filter result

Steps:

- Go to a page in which there are Items to buy in it
- Set filter by price in which the price range is not matched to the listed items

Actual Result: There is no product to buy, but it says there is item showed

Expected Result:

The number of product displayed as the set result should be matched with the number that is written in the page

Ticket : T02

Level: Minor

Description:

There is no availability message if item is unavailable in stock

Steps:

- Randomly select on an item and go to the item-details page
- Check out the availability by filtering the size and color

Actual Result:

There is no availability message if item is unavailable in stock

Expected Result:

Show the *not available* icon to indicate that the item is not in stock

Ticket : T03

Level: Major

Description:

User can add unavailable item to cart

Steps:

- Randomly select on an item and go to the item-details page
- Check out the availability by filtering the size and color
- Add the unavailable item to cart by setting its quantity and click Add to cart button
- Check out the order page

Actual Result:

- User can add unavailable item to cart
- The item status become “in stock” in the order page

Expected Result:

Do not allow user adding unavailable item to cart

Ticket : T04

Level: Trivial

Description:

Call Us number are not same between the one at the header section and the one at the footer section

Steps:

- Open the Homepage
- Compare the phone number written as *call us* in the header and in the footer of the page

Actual Result:

The phone numbers are different

Expected Result:

The phone numbers should be same

Ticket : T05

- Select on a subject heading

Actual Result:

SEND A MESSAGE

Subject Heading
Customer service

For any question about a product, an order *it's better to make it one line*

Email address
debfective@gmail.com

Order reference
-- Choose --

Attach File
No file selected **Choose File**

Message

Send >

Expected Result:

make the quotation in one line

Ticket : T08

Level: Trivial

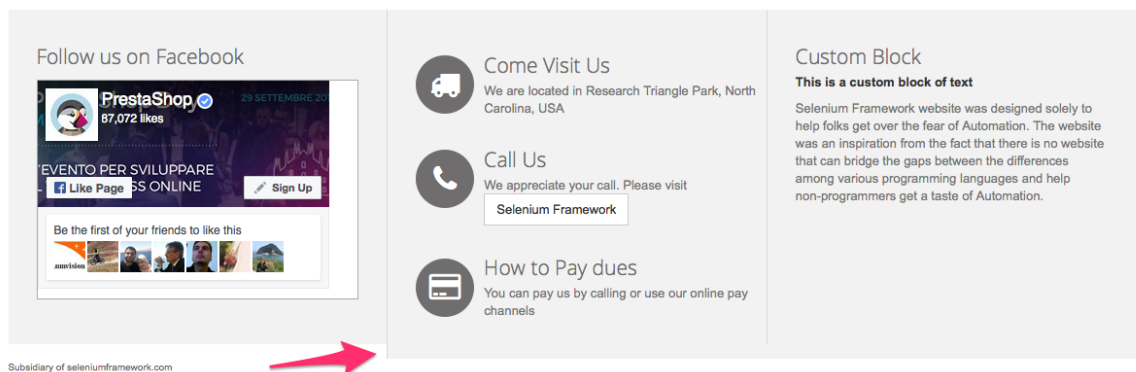

Description:

Some styling issue in the Homepage > Store Information section

Steps:

- Go to Homepage
- Check out the Store Information section

Actual Result:

Expected Result:

Fix the height of every column, make it same

Ticket : T09

Level: Minor

Description:

Defaulting add to cart with S size

Steps:

- Click on a menu page, e.g.: Women
- Filter size, e.g.: L
- Select on an item in the set result
- Add the item to cart
- Check out the order list

Actual Result:

The item added into the order list is in S size instead of L size

Expected Result:

The size should be in L (matched with what was in the filter)

NOTE: not sure whether it is a bug or by design

Ticket : T10

Level: Trivial

Description:

There are so many "Proceed to checkout" button

Steps:

- Add item to cart
- Click on checkout button
- Just follow the steps until payment

Actual Result:

From Summary > Sign in > Address > Shipping it always ends with “Proceed to checkout” button

Expected Result:

Provide different buttons that indicate every single process, like Sign in | Proceed Delivery | Proceed Payment
