# Web sections design

In order to ensure that we are in the same page about the sections name of the website, I create this manual.

How to Pay dues

You can pay us by calling or use our online pay channels

Custom Block

This is a custom block of text

Selenium Framework website was designed solely to help folks get over the fear of Automation. The website was an inspiration from the fact that there is no website that can bridge the gaps between the differences among various programming languages and help non-programmers get a taste of Automation.
